

Before Starting the Project Listings for the CoC Priority Listing

The FY 2018 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2018 CoC Program Competition NOFA.

The FY 2018 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2018 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2018 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2018 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Instructions:

For guidance on completing this form, please reference the FY 2018 CoC Priority Listing Detailed Instructions. Submit technical question to the e-snaps HUD Exchange Ask A Question (AAQ) at <https://www.hudexchange.info/get-assistance/>.

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2018 reallocation process. Collaborative Applicants should refer to the FY 2018 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: ECHO

Grant Number of Reduced Project: VT0065L1T011701

Reduced Project Current Annual Renewal Amount: \$201,428

Amount Retained for Project: \$149,940

Amount available for New Project(s): \$51,488
(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

VT 501 asked all CoC funded projects to present their annual performance measurements to the Steering Committee. The measures included # served, % of participants entering program with status of literally homeless, % and # of those who increased income and exited to PH, those who remained in PH, accessed mainstream resources, cost per bed, timely submissions of reports and draws, HMIS quality and amount of funds returned to HUD. It was determined that this project was unable to utilize all the funding and was returning a significant amount. However, the By Name list from CE was cross checked and the housing review team determined the ability to serve an additional 8-10 people. We retained enough to serve those people and the project applicant was notified on 7.26.18 by email.

Collaborative Applicants must complete each field on this form that identifies the new project(s) the CoC created through the reallocation process.

If there is a negative balance remaining, this means that more funds are being requested for the new reallocated project(s) than have been reduced or eliminated from other eligible renewal projects.
